ABOUT

We put dance into the world, and it comes back to us more beautiful and joyous than ever before.

Karma is an Ann Arbor based bellydance troupe that was founded in 2012. With an emphasis on fusion-style dance, Karma creates unique performances with traditional Middle Eastern music and modern favorites from around the world. Audiences love the fun, playful spirit of the troupe and are mesmerized by the skill and synchronicity of our dancers. Karma performs regularly in Ann Arbor and Southeast Michigan at festivals, haflas, community celebrations, and private events.
